

**Club Nights**

Club Nights are held on the **first Wednesday** of each month except January from 8pm in the Function Room at The Round Oak Public House, 100 Ounsdale Road, Wombourne, WV5 8BU. Sometimes we have a visiting speaker or maybe a film show, other occasions are social evenings, giving you a chance to get to know fellow members.

**Social Runs**

We have a programme of rides out throughout the year from various start points to the north, west or south of the West Midlands. We tend to use more minor roads and country lanes than A roads. Riders are provided with route sheets, but if you are new or you haven't got a route sheet holder, just let the organiser know and we will introduce you to someone who you can follow and who will keep an eye out for you.

**Fresh Routes**

Our runs may have the same titles from year to year but our organisers take pride in offering new routes when they can. A 2026 run will very rarely be the same as the 'same' run last year. After a few years a route may be repeated, and even then changes are likely to be necessary.

**Ride Ins**

For 2026 we are again having a number of 'Ride Ins', just make your own way there, alone or with others, for a sociable breakfast or lunch.

**Tiddler Run**

The mid-week run on 17th June will have a Tiddler Run going to the same venue for lunch, so get your Tiddler out for a low speed perambulation.
